EXIT Mid-Atlantic Celebrates 10 Years with EXIT Realty

North East, Maryland (**Grassroots Newswire**) **April, 2012 --**

April, 2012 marks the 10 year anniversary of EXIT Mid-Atlantic. It was in April of 2002 that Rick and Carol McDaniel, Regional Owners, embarked upon a rewarding journey that would prove to be the best business decision they have ever made.

"We signed a little piece of paper that allowed us to enter into a whole new way of doing real estate," Rick and Carol commented. "The unwavering support of Steve Morris, President/CEO EXIT Realty Corporation; Tami Bonnell, President U.S. Organization; and so many others has been critical to our growth and overall success with EXIT Realty."

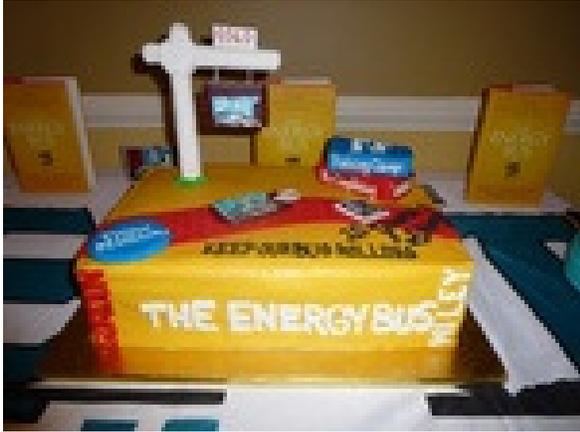

EXIT Realty proved to be not only a real estate company, but a family of professionals who truly care about the continued growth and development of one another. EXIT also proves time and time again how much they value the work-life balance and stability of family for each of their Brokers and Agents. With so many ways to earn steady income and the availability of retirement and beneficiary benefits, EXIT shows they are about more than just real estate.

"Constant access to world renowned trainers, indescribable camaraderie among our Brokers and Agents and the immediate availability of chief staff personnel are just small fractions of what makes EXIT Realty the best real estate company we could have chosen to work with," Carol and Rick said.

To help EXIT Mid-Atlantic celebrate their 10 year anniversary, Tami Bonnell flew in from Boston to spend time with Carol and Rick during their very special anniversary. In addition, Carol worked her Ambassador magic to have a special Energy Bus themed cake designed and baked by The Next Great Baker, Dana Herbert (winner from the hit TV show Cake Boss). This celebration was held in grand fashion on April 12, 2012 at the Ramada Inn, BWI with many Brokers, Agents and friends from the EXIT Mid-Atlantic region.

Rick and Carol are now excitedly planning their next 10 years with EXIT Realty. Carol said, "Rick and I look forward to having more Brokers and Agents hop on our 'Energy Bus' and enjoy the fabulous journey we are taking with EXIT!"
